
Thaandavam Tamil Full Movie 30 ^HOT^

Thandavam is a 2012 Indian film directed by A.L. Vijaya starring Vikram, Anushka Shetty, Jagapati Babu and Amy Jackson. The feature film is produced by the company. The film tells about a brother who really wants to marry his beloved. He decides to make a pilgrimage to Varanasi in India, where, according to legend, the ashes of his father are located in the Ganges River. I love Indian films very much, but unfortunately this film disappointed me. The plot of the movie is very long. Throughout the film, we only observe the relationship of the main characters. I was very bored watching this movie. It is very boring and drawn out. The acting is also very weak.
