Bravely wonderful new fantasy RPG created by Getharu. A new world full of dangerous monsters, and a mix of a narrative experience and new fantasy RPG. In the world that lies between both mortal realms, called the Lands Between, people live as commoners and great lords. They have limited power, but they can see the true shape of reality and experience great adventures. Due to the corruption of the great lords, they have started to fight with each other. The main character, who wakes up from deep sleep, finds out that he wields the power of the Elden Ring Cracked 2022 Latest Version, a magical artifact that is the strongest weapon in the Lands Between. He is one of the legendary Elden Lords who is the best swordsman and whose original appearance is covered by a transparent red armor. This young man, who has no memory of who he is or how he came here, is confronted by the order that is ruling this desolate and merciless world, and it is up to him to fight and destroy the Evil. Key Features • A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. • Create Your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. • Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. • Vast Story world with a depth and variety that is unprecedented in an RPG A huge story world with a variety of factions, which you can freely join, set in the Lands Between, not only bringing forth your interests but also enthralling you with its depth and variety. • Combination of the unique RPG style and the hack-and-slash combat of the role-playing game series

-28.6% This is the best battle of DOTA2..... Up to 5 players fight together in order to make the enemy team lose the game in 5v5 mode. In addition to playing the game, the player can do various other activities, such as trading, social networking, etc. The game has very interesting DOTA2 elements, such as active camming, customized skins, a strategy map, heroes, improvements, and team fight. Due to this, the game is a real DOTA2. Other customers leave reviews from: -82.8% This Game Has A Lot Of Potential... The game has excellent gameplay features, especially for a free game. Also, the game development team has a lot of experience in game development. However, the average quality of the game is low. The graphics are not up to par, and the skills required for the game are also too difficult. Therefore, the game does not come with a high level of interest. Details of Each Character 1. Arcana (Main Character) Arcana is the main character. His name is Tarnished, and his appearance is that of an Edonian Elden Lord. He has a young look, but his body is not yet fully developed. He has a kind personality, and his name comes from the spell. His sound is pitched slightly higher than that of the other characters, and his voice is a bit rough. Arcana is an Elden Lord with power over all shapes and bodies, and the facility to use the magic of souls to create new life. He is entrusted with the investigation of the sealed entrances to the underworld, the lands between the worlds. This is not an easy task. Arcana Arcana is the main character. What's new:

Hey everyone, almost time for the BETA. A few things before we start. First of all, thank you all for reading our Kickstarter page. We'll keep posting updates and answering your questions here, but also feel free to ask any questions you might have via Twitter, Instagram, or Facebook. Secondly, our website is coming along well, and we wanted to just give you a quick reminder to be patient while we make our new website a reality and remove the current placeholder. Lastly, if you are planning to pledge toward our KS campaign and want that extra perk, consider getting our Superior Pledge, which includes a bonus digital copy of the game and a permanent character name in our online game. The BETA Test: -------------------------- What level are you? -You are either a novice, working on your first spell, or an expert, preparing to set out on your first adventure. 1. Begin playing the game -Point your browser to and click "Play" in the top right to begin. 2. Browse through the Book of Two Moons -You can use the menus (F1) or keyboard (F1) to browse the various menus in the game. Hold "F" to get a list of all the menus. ■ Main menu -Shows your class and spells and allows for quick access to the gameplay screen, character creation, online features, and the Book of Two Moons. ■ Class -The class of your character defines its appearance, abilities, and skills. ■ Spells -List of all spells you can cast ■ Character -Character's name and portrait, class, appearance, HP, EXP, Wounds, and other character options are all available here. ■ Statistics -Character's current stats and recorded skills, with a breakdown of successes, successes and failures. ■ Customize -Toggle the character's appearance and the appearance of your selected spell. ■ Artes and Okami -When enabled, you can view all artes (kind of like a spell) in use for the character you are customizing. There is a tooltip with the statistics for each arte. -When enabled, you can view all artes (kind of like a spell) in use for the character you are customizing. How To Install and Crack Elden Ring:

Unrar the downloaded file into the game file using Winrar (32bit only).
You will see 2 files in there: a normal game and a 'Cracked' game. You will need the 'Cracked' one because it's the game you will be playing after you complete the installation process.
After you extract the game files, insert the generated crack on the folder which was in the game after extraction, and start the game.
Enjoy your game!

To Play Elden Ring:

World: In the world, the Celestial Empire and Pelador is a war-torn land. The people pay the nobles to be the lord in exchange for the nobles' protection. In the west lies Sazamal and Tarnish, a place of exile. The players become the lords in order to control the exiled people.
