There are two codes. Read below on how to use them. Please Note that either one can be used at any time (in that case, you just need the other one), but you can only use one at the time. Macro Codes (Macros), sometimes called Macro Commands or Macro Keys, are the way to link the dialogs in Hero Support and Hero Legend to each other. A Macro is a piece of JavaScript code embedded within an HTML page. It is then read by the Hero icon when you perform an activity in Hero Support, and executes when you click on the Hero Legend button at the bottom of the page. These macros help to make your life easier and help speed up the game play. To use a Macro In the Hero Support, click on the Macros tab at the top of the screen. You will see five tabs. The first one shows the Macro you have inserted (this is the Macro you had in the page you had inserted) and the last one shows the first available Macro in the data base. If you want to use a different Macro, click on the first one. This will open up a new tab with the second Macro. Choose a Macro from the second tab. Click on the Add button at the
