Stanley Kubrick, Steven Soderbergh and producer Barbara Broccoli. The movie was produced by the following name: Silver Screen Partners. But I guess there were several of them/people involved in the making of the movie. So what are the names of the people/organizations involved in this film? The names and details of the actors and characters in the novel can be found on Wikipedia. A: Silver Screen was formed by David Zucker and Ron Howard, after several years working for Paramount as comedy writers. Late progressive myelopathy in systemic lupus erythematosus. misdiagnosed as having multiple sclerosis (MS) are described. T2-weighted images revealed hyperintense and well-demarcated multiple lesions in the lower cervical and upper thoracic cord. Magnetic resonance spectroscopy showed abnormal peaks of choline, lipid and lactate in these lesions. Both patients were immunosuppressed; one with cyclophosphamide and the other with prednisolone, cyclosporin and pulse methylprednisolone therapy. Their neurological manifestations appeared between 25 and 57 years of age, and both had a history of corticosteroid treatment. These patients were followed up for at least seven years, although the follow-up time for one patient was only two years. Serial
