Therefore, will you be admonished and not be admonished?" (Quran 4:163) Allah (SWT) has made the Prophet (AS) admonish, i.e., deliverance to mankind. Some of the societies, which are engaging in obligatory admonitions, are the Juwairiya, Naqshbandiya, and the "Nuriyya". As the teaching of the Prophet (SAS) has been the most comprehensive, his admonition is the most concise and logical. The teaching of the Imams of the Naqshbandiya has become well-established in the teachings of the holy Prophet (SAS). Later, verses 6-10 address the meaning of tauhid, sometimes translated as the Oneness of Allah. Also see the following translation of verses 6-10: "Whoever desires the world and its adornment and has the ability to keep it, We will give him to it to enjoy, and it will stand as an ornament for him in this world and the next."
