Wargame: AirLand Battle Badge. Staff Sergeant. Level 1, 100 XP. Unlocked May 28th @ 12:54 am. All Out War... Impressive in single-player play, Wargame AirLand Battle yet ... Impressive in single-player play, Wargame AirLand Battle is also a surprisingly challenging game. Challenging not only strategically - but also because we have to think about a lot of things, simultaneously following the different elements of gameplay and trying not to forget about strategy at the same time. We have to deal with logistics, motivation, and troop management. I can't help but think of Civilization, which was also quite difficult for both "strategists" and "tacticians."
