Password Recovery Software For SmartFTP

Password Recovery Software For SmartFTP is a freeware utility that helps users to recover any of their lost or forgotten passwords for their SmartFTP accounts. With the help of this program, users can retrieve their lost passwords with only a few mouse clicks, without having to get through complicated recovery processes. The software is capable of retrieving passwords even if they include special characters in addition to the usual letters and numbers. The application comes with an easy-to-use interface that makes it suitable for a wide range of users, including those who do not possess advanced computer skills. The program runs on any operating system that supports Microsoft.NET Framework (Windows XP, Vista, 7, 8, 10).

2. QuickKeyMaster - Utilities/Backup & Restore... QuickKeyMaster enables you to quickly create access passwords for your programs. This utility can be used to quickly change Windows access passwords. Create and manage access passwords for Windows XP, Vista, Windows 7, and Windows 8 programs and applications.... QuickKeyMaster - QuickKeyMaster QuickKeyMaster enables you to quickly create access passwords for your programs. This utility can be used to quickly change Windows access passwords. Create and manage access passwords for Windows XP, Vista, Windows 7, and Windows 8 programs and applications.... ExactData Explorer and BackupSuite - QuickAccess - Utilities/Backup & Restore... QuickAccess is an efficient interface for Windows Explorer. When it's opened, the left side has been reserved for an extremely flexible context menu, just like the Alt+Space menu in Windows. Other important Windows functions (such as file system operations) have also been made available. You can even add any keyboard shortcut combination you want to QuickAccess....
